The following circular is hereby promulgated for information, guidance and necessary action

Fadhili J. Manongi
Director General

LANDING CHARGES FOR TANZANIA REGISTERED AIRCRAFT

The landing charges for Tanzania registered aircraft have been progressively at variance with those of foreign aircraft due to the continued devaluation of the Tanzania shilling against the US Dollar.

The first phase which set charges for locally registered aircraft to 50% equivalent of the USD charge rate, was implemented on 1 September 2002.

The phase that followed, where landing charge rates would be equal to those applicable to foreign registered aircraft was implemented effective 1 September 2004.

With effect from 1 January 2012 the following rates were applicable in Tanzania: -

Foreign registered aircraft		Aircraft registered in the United Republic of Tanzania
Airport	Charges per 1,000kg or part thereof -USD	Charges per 1,000kg or part thereof -Tshs
Dar es salaam Kilimanjaro,Zanzibar and Pemba	USD 5.00	Equivalent Tanzania shilling
Dodoma,Kigoma, Mtwara,Mwanza, Songea,Tabora and Tanga.	USD 4.50	Equivalent Tanzania shilling
Arusha, Bukoba, Iringa, Kilwa, Lake Manyara, Lindi, Mafia, Moshi, Musoma, Nachingwea, Njombe, Shinyanga and Songwe.	USD 4.00	Equivalent Tanzania shilling
Other government aerodromes	USD 3.00	Equivalent Tanzania shilling

Note: For ease of calculation, the Authority sets and fixes constant exchange regularly.The set exchange rate will be published in an AIP Supplement.
